TERMINAL DISCLAIMER

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

I. Terminal Disclaimer of Co-Pending Applications

The owner, **Cadence Design Systems, Inc.**, of 100 percent interest in the above-identified application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the above-identified application, which would extend beyond the expiration date of the full statutory term of any patent granted on Co-Pending Application numbered 09/731,891 filed 12/06/2000, as such term is defined in 35 U.S.C. §§ 154 and 173, and as the term of any patent granted on said Co-Pending Applications may be shortened by any terminal disclaimer filed prior to the grant of any patent on said Co-Pending Applications. The owner hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that it and any patent granted on said Co-Pending Applications are commonly owned. This agreement runs with any patent

granted on the above-identified application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the above-identified application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. §§ 154 and 173 of any patent granted on said Co-Pending Applications, "as the term of any patent granted on said Co-Pending Applications may be shortened by any terminal disclaimer filed prior to the grant of any patent on said Co-Pending Applications," in the event that: any such patent: granted on said Co-Pending Applications: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR §1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as shortened by any terminal disclaimer filed prior to its grant.

II. Terminal Disclaimer of Prior Patent

The owner, **Cadence Design Systems, Inc.**, of **100** percent interest in the above-identified application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the above-identified application, which would extend beyond the expiration date of the full statutory term of prior patent No. 6,826,737 B2 as the term of said prior patent is defined in 35 U.S.C. §§ 154 and 173, and as the term of said prior patent is presently shortened by any terminal disclaimer. The owner hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that it and said prior patent are commonly owned. This agreement runs with any patent granted on the above-identified application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the above-identified application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. §§ 154 and 173 of the prior patent, "as the term of said prior patent is presently shortened by any terminal disclaimer," in the event that said prior patent later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR §1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.
